

# Early Childhood Creative Play

## Creative Play: Preschool

The Creative Play Preschool program offers children a stimulating environment in which to grow socially, emotionally, physically and intellectually. The preschool curriculum will include activities involving art, math, science, language, music/movement and dramatic play. Student/teacher ratio is 11:1 or better, enabling instructors to work with each child individually. A child's first experience with school is crucial, and park district instructors will provide an experience that will foster a love for learning that will continue through the years. Children must be 3 or 4 years old as of Sept. 1 of the current school year and must be completely toilet trained. The school year is divided into three 3-month sessions, beginning in September and ending in May. Creative Play Preschool is offered at the Prisco and Eola Community Centers. (RG) (CJ)

## Preschool Registration Payment Plan

Full-year registration is now available with an initial payment due at registration and eight more equal EFTs (Electronic Fee Transfers) will electronically withdraw the money from a checking, savings or credit card for the scheduled payments throughout the school year. If enrolling in only one session, the entire payment is due at the time of registration. The school year is divided into three sessions: fall (September to November), winter (November to March) and spring (March to May).

## Prisco Community Center Student Registration

Contact Rose Gloor at 630-859-8606 for registration information. The fee is for a three-month session. **Note:** There is a \$25 registration fee due at the time of registration.
