

GONE CAMPIN' SPRING BREAK CAMPS ▼

Spring Blast Camp ◆

Spring Blast Camp features 5 days of recreational games, sports, arts, crafts, and other fun-filled activities, group games and recreational sports activities. Participants should bring a nut-free lunch, two snacks, and water bottle every day. Before and after care is available for those children who need a longer camp day. Registration closes the Wednesday before the session begins or when space is full, whichever occurs first. (GW) (MO)

Chess Scholars Spring Break Camp

Learn how to win at chess! Each class will consist of a fun and interactive teaching period and guided practice time. No previous knowledge of chess is necessary. Children will test for a Chess Belt under a unique Chess Scholars system patterned after martial arts belts. There will also be a chess competition with prizes! (GW)

400640-04	M-F	Mar. 26 - 30	9 a.m.-noon

Let's Build It Spring Break Camp

This class takes a hands-on approach to engineering, allowing students to directly engage with basic engineering concepts through a variety of fun and educational activities. Students will improve their problem solving, math, and physics skills - all while engaging in exciting building projects. Each trimester-long unit will focus on a specific area of engineering. The unit will culminate in a testing of students' final projects and each student will receive an award for their progress during the unit. (MO)

6Y-11Y	Vaughan	\$146(R) / \$183(N)

Code	Day	Date	Time
400641-02	M-F	Mar. 26 - 30	10-11:30 a.m.

STEM - Spring Break Camp

Robotics, Engineering, and coding all in one! Each day students will learn a new STEM discipline including creating interactive stories, games and animations, building and programming robots, and building engineering models. Participants should bring a nut-free lunch. Class is taught by Chasewood Learning staff. (GW) (MO)

Passport To Spring Break Camp

Explore the world at Passport to Spring Break camp! This Spring Break let your imagination go on vacation as we explore a new country each day, with a presentation for parents and friends to conclude the week. Participants will do crafts, play games, and read books to learn about each culture including what daily life is like for kids their age in each country. (LJ)
