Align & Breathe Yoga: Experience a calm and conscious mind with breath-focused Pranayama meditation and Iyengar/alignment-based methods. This class incorporates breathing and movement while focusing on alignment of the entire body. All levels welcome.

Alignment-based Yoga: This multi-level yoga class will use Iyengar/alignment-based methods, incorporating a variety of movements and poses while focusing on alignment of the bones and the entire body. Each class will have a specific theme and objective, suitable for a variety of fitness levels.

Body Blitz: Take on this challenging full-body workout to improve your strength, cardiovascular health and overall fitness ability using a variety of equipment and exercises ranging from traditional strength movements to compound cardio conditioning exercises.

Body Fusion: This total-body workout fuses exercises for core and seat work done at the barre and on the mat which will strengthen and tone your muscles, with complementary yoga postures which will lengthen and define.

Cardio Chisel: An energizing cardio and strength workout designed to sculpt and tone the body using weights and equipment.

Core & More: Build a strong, healthy core and improve flexibility through a series of core, strength and stretching exercises.

Creating Calm Yoga: Calm the nervous system to create relaxation, rejuvenation and enhanced grounding. This practice integrates mindful movements, meditation, breathwork and restorative yoga poses.

Cycle: No exercise background is necessary. Group cycle is designed for any fitness level.

Fit for All: This class uses various forms of resistance and exercise throughout the workout to challenge your body and your brain. Shape and define every muscle in your body.

Gentle Pilates & Restorative Yoga: Slow, gentle core work with an emphasis on building strong bones, a healthy spine and greater pelvic stability will start the class. Restorative yoga will bring students into a state of body awareness, deep relaxation and stress release.

HIIT Cardio & Strength: This class alternates between brief high-intensity cardio and strength exercises to achieve fast, dramatic fitness results.

Interval Training: This class is designed to elevate heart rate and recover repeatedly to build cardiovascular endurance.

Pilates Mat: Using a floor mat and small props, this class focuses on basic Pilates principles: core strength, flexibility, breath control and correct alignment. Modifications will be offered to suit each student's individual needs.

Rise n' Ripped Bootcamp: This class is designed to improve your cardio health, strength, endurance, balance and flexibility. A variety of exercises and equipment will be used to create challenging workouts that are different from one class to the next.

Spin & Core: Build a stronger toned body and improve cardio endurance in this combo class consisting of cycling and core exercises.

Step: This cardiovascular workout includes step patterns for all levels.

Step & Sculpt: This class combines segments of classic choreographed step routines with strength intervals to create a full-body cardio and strength workout.

Strong Body Blast: Improve your strength, muscular endurance and body composition in this 30-minute, fast-paced strength class.

Strong Body Circuit: Stations are set up and intended to give a full-body workout! A variety of music, equipment and movements are combined to create a unique, challenging workout every class.

Strong Core Fitness Flow: This energizing class synchronizes vinyasa flow yoga inspired poses with the breath. Extra focus will be placed on the back and abdominals to strengthen and tone this key area of the body. Bring water and be ready to sweat!

Tabata: Tabata interval training is one of the most effective types of high intensity interval training. Through a variety of simple, yet intense timed exercises, each class will blast the calories and provide noticeable results in a short amount of time.

The 15's: This 45-minute class will be consisting of 15 minutes of cardio, 15 minutes of strength training and finally a 15 minutes of core training. This is a great class for a total body workout.

Total Body Sculpt: This class will work a variety of muscles using hand weights and more, creating an effective total body workout designed to increase strength and fitness.

Upper Body Blast: Get a strong, toned upper body in this challenging strength training class. All upper body muscle groups will be targeted using a variety of equipment.

Yoga Basics: Learn the fundamentals of yoga. This class focuses on alignment, stretching and breathing through poses appropriate for beginners. No previous experience required.

Zumba®: Join the party! Zumba involves dance and aerobics performed to energetic music. Choreography includes hip-hop, soca, samba, salsa, merengue and mambo.
