HELLO **DANCE FAMILIES,**

After much thought and deliberation regarding the current status of COVID-19 and CDC group gathering recommendations, we have decided to cancel the remainder of the dance program and the 2020 dance recital as both recitals would exceed 800 attendees between staff, dancers, and ticketed guests. In addition to this, the shutdown has caused a loss of valuable rehearsal time and staff would not be able to get the dancers ready to perform in the time left for the season.

Refunds for the current dance session are being processed for the classes missed and anyone who has an EFT will not be charged in April. Refunds will be processed within 14 business days to the original card charged for the transaction. If the registration was paid in cash or by check, a check refund will be mailed to the address listed on the dancer's park district account.

Once the stay at home order is lifted and the facilities can open, program participants will receive direction on how to pick-up their previously purchased costume at the dance class location. We are rescheduling picture day for any parents that would like to have photos of their dancer from the 2020 dance season. Since picture day will be optional, dancers will not be scheduled by class, parents may register for a timeslot. The registration link will be emailed once the date is booked.

Students participating in summer dance classes may have the opportunity to participate in a dance showcase at the end of the summer providing CDC guidelines deem safe to do so. More details will be available this summer in class and on the dance page of the Fox Valley Park District website.

Please continue to reach out with any questions. We hope you and your families are staying healthy and look forward to seeing you in our facilities again soon!

Thank you,

ERIN O'BRIEN
