ECARE INFORMATION

eCARE is a Fox Valley Park District-run program, housed in Fox Valley Park District facilities, which offers full-day and half-day options for children whose parents require extended care.

eCARE is designed to meet the needs of parents and children in kindergarten through 5th grade outside of school hours. This extended care program provides solutions for families in our community by providing activities, recreation and enrichment for youth in collaboration with the school district. Arts and crafts, healthy snacks, indoor and outdoor play, eLearning/ homework time and games are offered under the supervision of qualified, caring staff.

It is our goal to provide quality care, where participants feel safe, stay active and are fully supervised. We look forward to offering extracurricular activities, building lifelong friendships and creating school-aged memories.
