Additional guidelines may be developed for particular programs and athletic leagues as deemed necessary by Park District personnel.

It is expected that participants, members and guests shall:

IV. ACCOMODATIONS

Upon registration or entry into a program, activity, or membership- accommodations identified on the registration form will be reviewed. Parents/Guardians should be consulted for any information regarding special accommodations required for youth participants, members and guests. If any of these special accommodations are behavior related, the parent/guardian should be contacted for information about any behavior modification programs in place at school or home. Attempts should be made to utilize these in the program/activity if feasible. Documentation should be maintained regarding any problem behaviors, special accommodations, and behavior modification programs.
