8.0 New Business

8.1 Recreation Report

Jaime Ijams reported on the following:

- Phillips Park opened Memorial Day weekend with a rough start due to inclement weather. Splash Country opened on June 12.
- · With the warmer temperatures, attendance and revenues are picking up.
- Season pass memberships were not sold in advance this year; however, sales are going well and the District has reached 75% of the budgeted revenue for season passes.
- The department is getting very positive feedback from patrons regarding the opening of the facilities.
- Swim lessons are going well. Outdoor lessons have been moved to Phillips Park exclusively, which has proven to be a money saver in terms of staffing. Indoor lessons continue at Vaughan Athletic Center.
- · New programs this year include Parent & Tot Swim, Adult Float, and Aquatic Camps.
- The District is still working on hiring lifeguards and until we are fully staffed, some amenities may be closed to adjust, in which case, entrance fees are reduced. When explained the situation, patrons have been very understanding.
- A recent audit of the lifeguards at VAC resulted in "exceeds expectations".

President O'Connor asked that information be presented at the July meeting that compares 2019 to 2021. He also thanked Director Ijams and her staff for work done under challenging circumstances to get the parks open amid changing guidelines and requirements.

8.2 Operations Report

John Kramer reported that a recent IDPH inspection at Phillips Park resulted in the District being granted a compliance permit for #43, a small drain in the slide pool.

He also reported that there have been only minor issues at the facilities that have been easily corrected and so far, it has been a great start to the season.

Director Pilmer and President O'Connor both thanked Director Kramer for the care taken both during the season and off season to keep the facilities in excellent condition.

8.3 Marketing Report

Kyle Halverson reported on the advertising initiatives for outdoor aquatics including digital eblasts for season pass sales which saw open/click rates that were well above average. Additionally, a season pass flash sale contributed to a 77% increase in sales.

Mary Anne Cummings asked if the outdoor aquatics were being promoted on the city's digital kiosks. They are currently not being used for such but the District will pursue this with the City of Aurora.

8.4 Police & Public Safety

Chief Summer reported that patrol of the parks is being handled by PSOs as opposed to uniformed, sworn officers to create a more subtle presence. There are no significant incidents to report, and the security cameras and system is working well to monitor and deter occurrences.

Sherman Jenkins asked if the District IT department was working with the City of Aurora IT department to collaborate on cyber security. Currently the two departments are not, however, an introduction will be made to include Jon Michael and Michael Pegues.

Prior to adjournment, President O'Connor asked that the July meeting be moved to Splash Country. In order to accommodate the park opening, it was agreed that July 27 meeting would be called to order at 9:00am, with coffee available at 8:30am.

9.0 Adjourn

Scheketa Hart-Burns made a motion to adjourn, seconded by Sherman Jenkins.
Roll call voting Aye: Al Broholm, Mary Anne Cummings, Scheketa Hart-Burns, Sherman Jenkins, and President Robert O'Connor. Voting Nay: none, and the meeting was adjourned at 11:00am.
