Garden Plot General Information

The Fox Valley Park District wishes gardeners success while growing produce at the garden plots. Gardeners may park their vehicles outside of the plot area in designated parking areas and walk to their sites. There is a maximum of four (4) plots that each gardener may register to use. Gardeners who rented plots the previous year have the first opportunity to reserve a plot starting October 16.

The Park District will rough till all of the plots when weather allows. The condition of the soil will vary from plot to plot depending on past use and location. Each plot is identified with a numbered marker in the Northwest corner of the plot. Please check your plot number before planting. Each plot should be maintained up to the boundaries. Plots that are not maintained will be mowed.

Garden Plot Regulations

Please review the items below for a successful garden plot season. Violations of the following regulations may result in revocation of the use of the plot(s), without refund if necessary. The Park District also reserves the right to refuse future gardening privileges to anyone who abuses the program.

1. Motorized vehicles are not allowed inside the plot area.
2. Gardeners must park only in the designated parking area.
3. Pets are not allowed inside the garden plot area.
4. Please leave a non-planted footpath between plots.
5. Be courteous to fellow gardeners and do not walk on others garden plots.
6. If you place stakes on your plants, please remove stakes by October 15.
7. If gardener chooses to erect a fence, they must adhere to the following guidelines:
 - a) Fencing shall be constructed of wire fabric "chicken wire" or welded wire fabric utilizing steel "t" posts or similar metal posts. No plastic or wooden fencing allowed.
 - b) Fences and other structures are to be kept in good condition, posts and fence materials upright, no sharp/rusty wire or other protrusions that could cause injury.
 - c) Posts must be placed deep enough into the soil to securely anchor the post in a vertical (plumb) position. NO poured concrete may be used.
 - d) Metal fence posts may be up to 4 feet tall maximum, above ground, it is recommended that they have a flange at the base.
 - e) Tarps, plywood and other items not allowed.
8. All wood, wire, string, landscaping blankets, fencing and other materials must be cleaned from the plots by October 15.
9. Place all trash in the garbage containers located near the parking lot and garden plot areas.
10. Place all garden plot waste in the designated area marked near the garden plots.
11. Any garden plot that is not tilled by June 15 will be forfeited for the season.
12. The Fox Valley Park District does not assume responsibility for theft or vandalism.
13. Gardeners must not infringe on any other plots and must not allow pesticides, water, or other materials to infringe on another gardener's plot.
14. Use only the garden plots that you hold a permit for.
15. Gardeners must display a vehicle hang tag permits from the rear view mirror during the time you are in the garden plots. Vehicles that do not display the hang tag permit will be ticketed. This procedure ensures the security of all gardeners and plots.

If you have any questions or encounter any problems with your garden plot rental, please contact the Fox Valley Park District at 630-897-0516 (Cole Center Administration Office). In the event of an emergency, occurrence of vandalism, theft or damage at a garden plot site, please call 911 for assistance.
