How many years have you been an MVP Coach? 6 years

Why do you like working at the FVPD? I grew up here as a youth and appreciate the opportunity to share the knowledge I've gained over the years to others. I enjoy making a difference in the community. I love helping youth develop their skills in any sport or activities and build confidence as they progress. Plus it's a way to live healthy and have fun at the same time. That's why I love it.
